PATHWAY

YEAR OF DISCIPLE MAKING

Psalms 32:8 (NLT)

The LORD says, "I will guide you along the best pathway for your life. I will advise you and watch over you."

Pathway exists to develop disciple makers in the Christ-centered community of camp for one year equipping them for the next steps where God is leading them. During the program, participants will have opportunity to take college classes, develop work and life skills, and grow in their love of God and His word.

We believe a Disciple Maker...

Courageously stands for Truth: Optional classes through Emmaus Bible College, Judson University, or Moody Bible Institute. A study of the Gospels and Discipleship training through the Scriptures.

Humbly Serves: Pathway Participants learn to serve within the ministry in various departments and take part in service projects.

Has an Identity rooted in Christ: Pathway Participants are expected to study about the Lord Jesus Christ as He is revealed through the Bible and align their identity in Him as described in 2 Corinthians 5:17.

Equipped in heart and skill to share the Gospel: Matthew 28:19a "Go therefore and make disciples..." Pathway exists to equip and train young adults to be disciples who make disciples like Jesus.

Faithful to God and others: Be present to obtain a clear understanding of excellence in work, relationships, and service. Observing and absorbing scripture together daily.

Take the next step in finding your path through this 12 month program.

Geneva Lake Life!

A Historic Community!

OUR COMMUNITY EXPERIENCE:

Pathway Year of Disciple-Making takes place at Lake Geneva Youth Camp situated on Geneva Lake, a historical region that people come from all over the world to visit. Maybe it's how the sunlight shimmers on the lake or how the sunset casts its warm glow. Maybe it's the bird-like sensation of soaring through the air on a zip-line or hot air balloon. Or laughing with friends after a fun-filled day on the trails. Or perhaps it's a well-deserved afternoon of fishing, followed by a stroll on the shore path. When you come to Pathway, you are coming to a desirable location filled with unforgettable experiences.

PATHWAY TESTIMONIES

“I loved my time in pathway. It allowed me to grow closer in my relationship with Jesus and helped developed the skills I used to excel in my last two years of college.”

-Hannah, Pathway Graduate

“Pathway helped me to learn what community really is. Camp is a great place to learn more about yourself, others, how those can interact, and most importantly, about the Lord. Camp is a really special place, and in Pathway, you can see and be a part of the other seasons in camp ministry when things are usually a little quieter. The full-time staff has wanted to get to know us and has welcomed us in their ways. Pathway is a great learning experience, a chance to meet some great people, and a chance to learn more about our great God.”

-Katie, Pathway Graduate

“Taking a gap year at LGYC can not be described any differently than “A life changing experience in Christ.” Through the intentional work of the program team and staff, we have been able to dwell on and follow who Jesus Christ is and how to be His disciples. I am grateful that I took this year of discipleship because I am not the same person that I was coming in as I am coming out.”

-Denis, Pathway Graduate
